

Spring is just around the corner and the staff at PAC 14 is ready for the rush of new volunteers that will be coming our way. Not a volunteer? Find out what a PAC 14 volunteer does and how you can help your local community. If you have been thinking that you want to give something back to the community, you are in the right place! PAC 14 can guide you through creating an easy Public Service Announcement for a non-profit that could really help them out. What is that you ask? A Public Service Announcement, or PSA, is a short 30 – 60 second promotional piece created for a local non-profit agency here in Wicomico. We will air it on PAC 14 so the agency can spread their message and succeed in their mission.

We can help you pick a non-profit in this area to work with, and we'll guide you every step of the way! Can you say Win – Win! I knew you could. Get started and make a difference! The first step is to just call us and we will answer your questions and get you started.
